

Our Public Meeting was a great success. Thank you.

It wouldn't have happened without...

Rev Graham Hawley - for excellent chairmanship

Andrew Stunell MP and Mike Childs, our speakers

Fantastic support from Stockport FoE members who came to the meeting and also those volunteers who made it happen:

Kate - coordinating everything, and meeting introduction

Chris E - distributing flyers, updating the website, hanging up the banner, manning the stall and taking some great photos

Sally - publicity, making posters with arrows on morning of meeting to direct people, flyering outside the hall on morning of meeting and helping in the kitchen

Robert - Preparing and serving refreshments and washing up afterwards, asking a question, publicity, printing out and bringing the newsletters

May - Preparing and serving refreshments and washing up afterwards, and helping to set up the room

Stephen - giving May and Kate and all the stuff a lift there and back, putting up posters, hanging up the banner, buying a drink afterwards, agreeing to ask a question, and setting up the room

Chris B - promoting the event, asking a question, introducing Kate to the Chair (both suggesting Kate approach him at the outset, and on the day itself!), counting up the donations (£31.94)

Hasan - issuing the press release and following up with the reporter

Brigid - giving advice on venues

Marian - giving advice on venues

Colin - putting up posters

Phoebe - publicity

Ken - asking a question

Maggie - publicising the event

Manchester FoE volunteers who supported the event:

Ali - promoting event and general advice

Colette - helping on stall, agreeing to ask a question, and setting up the room

Damian - holding up the 1 and 5 minute signs for the speakers at relevant moments and directing people towards the stall and the cakes at the start

Helen - taking notes, packing up chairs, publicity

The Co-operative Group - providing cakes and drinks and publicising the event

Ruth and other FoE HQ staff who did loads of work including drafting the press release, arranging for Mike to come, sending suggestions about format and questions to ask, preparing biographies of the speakers, designing posters and flyers, email publicity and also printing off and posting publicity materials and briefings.

Well done - you made a difference!
