

Transition Stockport

presents the film

In Transition 1.0

The Age of Cheap Oil is nearly over.

Explore the transition from oil dependency to a re-localised low carbon economy.

Thursday 11th March

7.30pm

**St Barnabas' Parish Church,
Osborne Street, Bredbury.**

Transition is about creating an opportunity for ordinary people like us to get together at this critical time in our history to find our own local solutions.

Bring along friends and neighbours.

Our community future is what we make it.
